Subject: Call for Editorial Board Member- Journal of Proteomics and Bioinformatics

Dear Dr. Sudhir Srivastava

EDRN Principal Investigator

National cancer Institute

NIH-USA

I am happy to bring to your kind notice that, We are going to launch a new open access journal entitled "Journal of Proteomics and Bioinformatics" under the collaboration with Academic Publishers. We request you to join our team as an executive editorial board member to this prestigious journal.

This is the first open access journal in field of "-omics" particularly proteomics

Until now along with you, following are the editorial board members

1. Richard Simpson-Ludwig Institute for Cancer Research-Australia-appointed as executive editor/editor-confirmed
2. Akhilesh Pandey -Johns Hopkins university-USA- appointed as executive editor/editor-Not yet confirmed
3. Sudhir Srivastava -National cancer Institute, NIH-USA-Not yet confirmed
4. Kazuyuki Nakamura, Department of Biochemistry and Functional Proteomics-Yamaguchi University –Japan-appointed as executive editor/editor-confirmed
5. Ravi Sirdeshmukh-Center for cellular and Molecular biology-Hyderabad- appointed as executive editor/editor-Not yet confirmed
6. V.V.R.Bandaru-Johns Hopkins university-USA- appointed as executive editor/editor-confirmed
7. Judit Nagy, Institute of Biomedical Engineering-Imperial College London- appointed as executive editor/editor-confirmed
8. Philip Andrews, University of Michigan, USA- appointed as executive editor/editor-Not yet confirmed
9. Fredrick Ponten, Uppsala University, Sweden- appointed as executive editor/editor-Not yet confirmed
10. Mark S. Baker, CEO, Australian Proteome Analysis Facility- Australia - appointed as executive editor/editor-confirmed

We are going to launch this prestigious open access journal at CCMB proteomics meet in February- 2008.

Personnel: I have met you at HUPO 6th Annual World Congress, Seoul. We have nice brief introduction.

waiting for your foster reply

Sincerely Yours

Srinubabu
