International Journal of Sensor Networks and Data Communications

Dr Falah Ali

Department of Engineering and Design
University of Sussex
United Kingdom

International Journal of Sensor Networks and Data Communications

BRIEF BIOGRAPHY :

- Falah Ali is a Reader in Digital Communications at the University of Sussex. He is the leader of the Communications Research Group and Director of the Master programmes in Digital Communications and Embedded Digital Systems in the School of Engineering and Informatics.

- He received his BSc and MSc from Cardiff University in 1984 and 1986, respectively, and his PhD from the University of Warwick in 1992. Between1992-1994 he was a postdoctoral research associate at Lancaster University.

- In 1994 he joined the University of Sussex as a Lecturer in Electronics Engineering and in 2000 as a Senior Lecturer.

International Journal of Sensor Networks and Data Communications

Brief biography: (contd..)

- He has over 20 years of research experience during which he has led many projects and awarded research funding from the government and industry.

- He coauthored over 100 papers in various journals and conferences. He served on technical programme committees in several international conferences.

- His research interests are in the areas of wireless communications and sensor networks. He graduated many PhD research students under his supervision.

- He is a Fellow of IET, Senior Member of IEEE, and Chartered Engineer.

International Journal of Sensor Networks and Data Communications

RESEARCH INTERESTS :

➡ Wireless communications

➡ Wireless sensor networks and applications
