

# OMICS INTERNATIONAL

OMICS International through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. OMICS International hosts over **700** leading-edge peer reviewed Open Access Journals and organizes over **1000** International Conferences annually all over the world. OMICS International journals have over **10 million** readers and the fame and success of the same can be attributed to the strong editorial board which contains over **50000** eminent personalities that ensure a rapid, quality and quick review process. OMICS International signed an agreement with more than **1000** International Societies to make healthcare information Open Access.

# OMICS Journals are welcoming Submissions

OMICS International welcomes submissions that are original and technically so as to serve both the developing world and developed countries in the best possible way.

OMICS Journals are poised in excellence by publishing high quality research. OMICS International follows an Editorial Manager® System peer review process and boasts of a strong and active editorial board.

Editors and reviewers are experts in their field and provide anonymous, unbiased and detailed reviews of all submissions. The journal gives the options of multiple language translations for all the articles and all archived articles are available in HTML, XML, PDF and audio formats. Also, all the published articles are archived in repositories and indexing services like DOAJ, CAS, Google Scholar, Scientific Commons, Index Copernicus, EBSCO, HINARI and GALE.

## Editorial Board

**Executive Editor: Rajat Sethi**

**Chair of Pharmaceutical and**

**Biomedical Sciences and**

**Director of Research**

**California Health Sciences**

**University, College of**

**Pharmacy , Clovis, USA**

**559-272-8107 (Phone)**

## Biography

- Dr. Rajat Sethi is an Assistant Dean of Research and Evidence Based Practice
- Texas A&M Health Science Center, Texas A&M Health Science Center Kingsville, Texas, USA. He holds a Phd in Physiology from University of Manitoba, Canada. His main specific work is on signaling mechanisms underlying the pathology of cardiovascular disease in rodent models mimicking various types of heart disease seen in human population.

# Air & Water Borne Diseases

Open Access

ISSN: 2167-7719

- Rajat Sethi research interest include understanding the signaling mechanisms underlying the pathology of cardiovascular disease in rodent models mimicking various types of heart disease seen in human population.

## **Publications**

**What's in your Water can be Bad for your Health?.**

Robert Clegg, Akshay Sethi and Rajat Sethi

**Polio: Eradicated, But Can It Return?**

Cathy Hansen and Rajat Sethi

# **Air Pollution and Disease and Gender**

Rajat Sethi

# **Air Pollution in Health and Diseases**

Rajat Sethi

## **Improvement of cardiac function and $\beta$ -adrenergic signal transduction by propionyl L-carnitine in congestive heart failure due to myocardial infarction**

Sethi, Rajata, Wang, Xia, Ferrari, Robertob, Dhalla, Naranjan S

# Journal of Air & Water Borne Diseases Related Journals

- Journal of Bacteriology & Parasitology
- Journal of Medical Microbiology & Diagnosis
- Journal of Microbial & Biochemical Technology
- Journal of Plant Pathology & Microbiology
- Journal of Vaccines & Vaccination

# Journal of Air & Water Borne Diseases Related Conferences

- Allergy Conference
- 4th Bacteriology and Infectious Diseases Conference
- 2nd Infectious Diseases Congress

# OMICS International Open Access Membership

OMICS International Open Access Membership enables academic and research institutions, funders and corporations to actively encourage open access in scholarly communication and the dissemination of research published by their authors.
