## **Dr. Saurabh Shrivastava**

### *Educational Qualifications* :

- ⊛ MBBS from NDMVPS's Medical College, Nashik.
- ⊛ M.D. (Community Medicine) from Seth G. S. Medical College & KEM Hospital, Mumbai.
- ⊛ Post Graduate Diploma in Hospital and Health Care Management (PGDHHM) from Symbiosis Centre of Health Care, Pune in 2009.
- ⊛ Diploma in Human Resource Management (DHRM) from Prin. L. N. Wellingkar Institute of Management Development & Research, Mumbai in June 2010.
- ⊛ Fellowship in Clinical Sciences under the aegis of Department of Biotechnology, Government of India at G S Medical College, Mumbai in January 2011.

## **Dr. Saurabh Shrivastava**

*Experience at Executive/ Managerial level as Project officer, Program Manager for specific Projects : 01 year (RNTCP, Mumbai)*

*Academic and Non- Academic positions held :*

- ⊛ Taluka Health Officer, Nandgaon Taluka, Nashik District, Maharashtra
- ⊛ Senior Medical Officer, Vehelgaon Primary Health Centre, Nashik District, Maharashtra
- ⊛ Programme Manager (District Tuberculosis Officer), Mumbai District Tuberculosis Control Society.
- ⊛ Assistant Professor, Department of Community Medicine, Shri Sathya Sai Medical College & Research Institute, Kancheepuram.

## **The main research interest:**

Exploring the different aspects of Tuberculosis, especially pertaining to prevention and control of the disease

Formulating policies and strategies to counter problems of public health concern

Development of action plan to counter disease epidemics and pandemics

Identification of the determinants affecting health care utilization practices among members of community

## **Technical and Managerial Work Experience :**

### **As Project Consultant / Coordinator / Expert / Principal Investigator :**

- ✳ As Programme Manager (District Tuberculosis Officer), RNTCP program, Government of India.
- ✳ As a technical expert in diagnosis and management of medical problems, handling medical emergencies.
- ✳ As a Technical Consultant with the Brihanmumbai Municipal Corporation in managing Extra Extensively Drug Resistant (XXDR) Tuberculosis outbreak in Mumbai.
- ✳ As Master Trainer for modular training in “Basic RNTCP” and “Programmatic Management of Drug Resistant Tuberculosis” for Medical Officers and Teaching Staff of Medical Colleges.
- ✳ As Chief Coordinator for planning, organizing and implementation of Laboratory Surveillance framework in Mumbai. This was a special initiative by the Central Tuberculosis Division, New Delhi.
- ✳ Experience in developing training modules and participated in State task force technical meetings on “Implementation of DOTS Plus services in Medical Colleges”.
- ✳ Coordination with the State Task Force members for promoting thesis & operational research approval in novel issues concerned with tuberculosis among post-graduate students of Medical College.

## **Technical and Managerial Work Experience :**

### **As Project Consultant / Coordinator / Expert / Principal Investigator :**

- ✳ As Facilitator, Resource person for training of counsellors working in the field of HIV/ AIDS from Maharashtra, Madhya Pradesh and Goa under the GFATM project (Counselling Component).
- ✳ Member of the survey team constituted for “Evaluation of Janani Suraksha Yojana in Ratnagiri and Mumbai Districts of Maharashtra” by Ministry of Health and Family Welfare, Government of India.
- ✳ Member of the survey team constituted for “Evaluation of Community Based Monitoring in Thane District of Maharashtra” by Ministry of Health and Family Welfare, Government of India.
- ✳ As a Technical consultant in “Social Activities Integration” (SAI) NGO working for commercial sex workers for six months.
- ✳ As a volunteer in “Child Relief and You” (CRY) NGO working for child related issues for a period of six months.
- ✳ As a volunteer in “Cancer Aid Relief Fund” (CARF) NGO working for cancer relief.
- ✳ As a Researcher in designing of various study protocols and coordination with ethics committee for their approval.

## **Technical and Managerial Work Experience :**

### **As Project Consultant / Coordinator / Expert / Principal Investigator :**

- ✳ Prepared the operational framework for implementation of TB notification activities under the directives of Government of India in Mumbai.
- ✳ As a Coordinator in Drop in Centre: a care and support centre for people living with HIV/AIDS.
- ✳ Co-investigator in “Evaluation of Complaints Committee for prevention of Sexual Harassment of Women at Work place” in Brihanmumbai Municipal Corporation, Mumbai.
- ✳ Member of the “Child-to-Child Programme” in Malavani, Mumbai
- ✳ As an observer in Tele-Medicine initiative at KEM Hospital, Mumbai.
- ✳ Co-investigator in “The study of morbidity profile of subjects staying at old age home” in Sakwar village, Thane district of Mumbai.

## **The research results and clinical outcomes have been presented at conferences:**

- ✿ Research paper on “Overview of services provided at Drop-In-Centre for PLHA – A record based study” presented in IAPSM National Conference, Aurangabad in January 2009.
- ✿ Presented a paper in the IPHA National Conference, Vishakhapatnam on “HIV Tuberculosis Interface: A comparison of collateral prevalence of HIV and tuberculosis in an urban health centre implementing HIV/AIDS & TB control programme” in January 2010.
- ✿ Research paper on “Correlates of antenatal Body Mass Index as a determinant of neonatal birth weight” presented in IAPSM National Conference, Ranchi & KEM Hospital Staff Society in 2010.
- ✿ Presented a paper in the IAPSM National Conference, Ranchi on “Prevalence of HIV and Syphilis in patients attending Sexually Transmitted Infections (STI) Clinic at an urban health centre area, Mumbai – A Cross-Sectional study” in February 2010.
- ✿ Presented a paper in IAOH National Conference on “Computer related health problems among software professionals – A Cross sectional study” in April 2010.

## **The research results and clinical outcomes have been presented at conferences:**

- ✿ Presented a paper in National Conference on Tobacco or Health, Mumbai on “Tobacco Quit Rates among Youth in an Urban Health Centre of Mumbai” in September 2010.
- ✿ Presented a research paper in IPHA National Conference, Belgaum on “Profile of food handlers working in food service establishments located within the premises of a medical college in Mumbai” in January 2011.
- ✿ Research paper on “Evaluation of trained ASHA workers regarding their knowledge, attitude and practices about child health at PHC Durvesh” presented in IAPSM National Conference, Berhampur in February 2011.
- ✿ Research paper on “Implementation of Rogi Kalyan Samiti (RKS) at PHC Durvesh (2009 – 2010)” presented in IAPSM National Conference, Berhampur in February 2011.
- ✿ Presented a research paper in Joint Annual Conference of IPHA Maharashtra Branch & IAPSM Maharashtra Chapter on “A study to assess the utilization of antenatal and intra-natal care services amongst women in an Urban Health Centre” in February 2011.
