

International Conference and Exhibition on Metabolomics & Systems Biology

20-22 February 2012, San Francisco Airport Marriott, USA

Dear Potential Sponsor/Exhibitor

International Conference and Exhibition on Metabolomics & Systems Biology will take place in San Francisco, USA at San Francisco Airport Marriott Hotel during 20-22 February 2012.

We warmly invite you to sponsor/attend/give a speech at this most important event.

The OMICS Publishing Group (USA), a premier quality scientific publisher and Editors- Journal of Proteomics & Bioinformatics (<http://www.omicsonline.org/EditorialboardJPB.php>), Journal of Computer Science & Systems Biology (<http://www.omicsonline.org/EditorialboardJCSB.php>) are jointly organizing the Conference.

The theme of the meeting is to discuss and analyze "Accelerating the Study of Metabolite Profiles in Biological Systems". Metabolomics -2012 is a specially designed cluster conference, which covers a wide range of critically important sessions from Advancements in Metabolomics & Systems Biology.

International Conference and Exhibition on Metabolomics & Systems Biology is organizing an outstanding Scientific Exhibition/Program and anticipates the world's leading scientists involved in Metabolomics Research as well as all Global Regulatory Requirements.

Metabolomics -2012 organizing committee anticipates over 2000 participants to attend this premier event. Your organization will benefit with excellent exposure to the leaders in Metabolomics & Systems Biology Research.

You are either an industrial leader from the health science or from the Pharmaceutical Industry, Metabolomics -2012 is an exciting opportunity to showcase the new technology, the new products of your company, and/ or the service your industry may offer to a broad international audience.

Metabolomics -2012 is your window to the world.

Sincerely yours,

Metabolomics -2012 Organizing Committee

Sponsorship and Conference Corporate Workshop

The Conference provides sponsoring companies to present corporate workshops in parallel to the Conference program. During these times companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years

the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Please note prices below include audio visual and not for food/beverage costs.

Workshop Availability
