

## Special Issue Invitation

We are happy to invite you to submit a paper for the Journal of Proteomics & Bioinformatics for a special issue “Omics of Renal Disease”. Both Research and Review papers are welcome for possible publication in this issue. <http://omicsonline.org/proteomics-bioinformatics.php>

This special issue is being edited by:

Dr. Victor Andreev  
Arbor Research Collaborative for Health,  
Ann Arbor, USA

The topics of interest for this issue include:

- Genomics of renal diseases
- Epigenomics of renal diseases
- Pharmacogenomic of renal diseases
- Transcriptomics of renal diseases
- Proteomics of renal diseases
- Metabolomics of renal diseases
- Urine proteomics
- Urine peptidomics
- Urine metabolomics
- Proteomics and metabolomics of dialysis
- Data integration in renal disease studies

You may submit your paper by e-mail at [editor.jpb@omicsonline.org](mailto:editor.jpb@omicsonline.org) or online at <http://proteomics.edmgr.com/>

Please specify the title of the special issue (Omics of Renal Disease) in the subject if you submit by E-mail or in the cover letter if you submit online.

### Benefits of the special issue

Contributors/authors: Authors are requested to pay this fee only upon acceptance of the article. 25% of total income generated for this issue will be donated to the kidney related charity.

Thank you for your time and consideration in this matter. We would appreciate it if you could let us know at your earliest convenience (but no longer than three weeks please) whether or not you will be submitting a paper. We are looking forward to hear from you soon!

With kind regards,  
Dr. Victor Andreev  
Editor of the Special Issue

Susan Williams  
Editorial Assistant  
Journal of Proteomics & Bioinformatics  
E-mail: [editor.jpb@omicsonline.org](mailto:editor.jpb@omicsonline.org)
