Subject: Recommendation letter

From : Doctor Ahmad M. Alshihry, Epidemiologist, Head of infection control department, Eye specialist hospital, Saudi Arabia  
To: National Library of Medicine. Building 38A - Room 4N-419. 8600 Rockville Pike. Bethesda, MD  
U.S.A. 20894

Subject: Recommendation

I am favorably impressed by OMICS group Epidemiology: open access. It is so beneficial to the researchers worldwide and contribute to the dissemination of knowledge and stand alone as a rich source of references for researchers.

I strongly recommend the Epidemiology: Open Access to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing."

sincerely yours
