Re: Support letter to recommend the Journal of Business & Financial Affairs to be indexed in Cabell's Directories

Dear Committee Members:

I hereby express my great interest in continued service in Journal of Business & Financial Affairs as an Editor. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for business and management communities.

I strongly recommend this journal to be indexed in Cabell's Directories. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Sincerely,

Arturo Rubalcava,
Associate Professor (Finance)
University of Regina
