

Please find below my recommendations for the list of reputed databases in which the journals can be indexed to increase the impact of the Journal.

- [Chemical Abstracts \(CAS\)](#) 
- [COMPENDEX](#) 
- [Current Contents/Engineering, Computing & Technology](#) 
- [Directory of Open Access Journals \(DOAJ\)](#) 
- [Journal Citation Report](#) 
- [Science Citation Index Expanded \(SCIE\) / Web of Science](#) 
- [SciSearch](#) 
- [Scopus / SciVerse](#) 

Being an editorial members for 2 years, I really feel that the editorial board members and journal staff have worked very hard for the journal to establish its high professional standing, and I here by recommending this journal to be indexed in indexing platforms.

Carol
