Dear Sir/Madam:

My name is Chandradhar Dwivedi, and I am working as a scientist over forty years. I have served as Principal Investigators in many projects funded by various federal, state and private organizations. I have served in reviewer panels of National Institutes of Health, National Science Foundation, and served as reviewer for numerous journals. I have contributed to more than 100 scientific papers in peer reviewed journals of international reputation. I am also on the Editorial Board of Journal of Alternative & Integrative Medicine (AIM). The Editorial Board members and journal staff have worked very hard for the journal to establish its high professional standing and there by recommending this journal to be indexed in PubMed.

Thank you for your consideration.

Best regards.

Sincerely,

Chandradhar Dwivedi, Ph.D.  
Distinguished Professor and Head Emeritus
