**RE: RECOMMENDATION TO INDEX JGSGT IN MEDLINE/PUBMED**

To Whom It May Concern,

As a member of the editorial board of the Journal of Genetic Syndromes & Gene Therapy (JGSGT), I recommend this journal for indexing in MEDLINE/PubMed. Access to content in this journal through the PubMed database will provide an avenue to important articles to advance science and will be a necessary step for the success of this journal.

Sincerely,

Douglas R. Hurst, Ph.D.  
Assistant Professor, Molecular and Cellular Pathology  
Associate Scientist, Comprehensive Cancer Center
