## Letter of Consent

I hereby express my great interest in continued service in Journal of Psychology & Psychotherapy as an Editor. Having served as an Editor for JPPT since 2011, I have noted a steady increase in the number of submissions, their quality and the number of reviewers collaborating with JPPT. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

Renowned international experts ensure the quality of the Journal of Psychology & Psychotherapy. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing. I strongly recommend this journal to be indexed in PubMed Central. I would be pleased if the visibility and dissemination of this journal became even greater in this way.
