National Library of Medicine Building 38A - Room 4N-419 8600 Rockville Pike Bethesda, MD U.S.A. 20894

Dear National Library of Medicine members:

I am writing to support the Journal of Nephrology and Therapeutics to be indexed in PubMed Central. In the last 2 years, the Journal has published high quality of the papers in the field of Nephrology. In addition, the journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Please do not hesitate to contact me if you have any question.

Thanks.

Sincerely,

5 L Habib
