To whom it may concern,

I hereby express my great interest in continued service in Journal of Cell Science & Therapy as an author. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

A number of advanced studies has been published by this journal and cited by many eminent researchers. I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Yours sincerely,

Hiroshi Kobayashi, Professor Emeritus
