Re: Letter of Recommendation for indexing of OMICS Radiology journal in PMC
Date: July 9, 2013

Dear Sirs;

This letter is to convey my strong support for OMICS Radiology Journal application to be included in PubMed Central. I am Professor of Radiology in the Department of Department of Dentomaxillofacial Radiology at the Near East University, the author of numerous research publications in the leading scientific journals in my field and am an expert in Head&Neck Radiology. I serve on the editorial board of various journals such as Oral Surgery, Oral Medicine, Oral Pathology and Radiology, Oral Radiology Journal, various review panels and most importantly, section editor of OMICS Open:Radiology Journal. The journal not only serve as communication between the radiologists but also will serve an open source for the outstanding researches. Therefore, I strongly recommend the OMICS Journal of Radiology to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

I appreciate the opportunity to address this letter to you.

Respectfully yours,
