Dear Sir or Madam:

It is with great sincerity and enthusiasm that I recommend the Journal of Yoga and Physical Therapy to be indexed in PubMed. I have been the editor in chief for this high quality journal for the last couple of years and I have been very impressed with the quality of work and submissions that I have reviewed.

I must include that the editorial staff and journal staff have worked very hard to create a quality publication and therefore they have definitively established a publication deserving designation of high professional standing. I therefore am recommending that this journal to be indexed in PubMed.

I thank you for your consideration. Please contact me should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Clare Lewis". The signature is fluid and cursive, with a large loop for the letter 'C' and a long, sweeping tail for the 's'.
