To whom it may concern.

Dear Office/Editor of the National Library of Medicine,

My name is Dr. Devendra Kumar Patel and I am presently working as an Assistant Professor in G. G. V. – (A Central University) – Bilaspur – C. G.) – India and currently I have a Research Project on Conservation of Medicinal and Aromatic Plants in Chhattisgarh state in India. I have published more than 18 Research papers. I am also in the editorial board of Journal of Medicinal & Aromatic Plants. The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing and there by recommending this journal to be indexed in PubMed.

Best regards.
