To whom it may concern

I hereby express my great interest in continuing to serve *Brain Disorder & Therapy* as Reviewer. I further give my consent to disclose my affiliation and contact information by the Journal.

I do not have any conflict of interest, which would interfere with this important service for science, medicine and technology communities.

I strongly recommend *Brain Disorders & Therapy* to be indexed in PubMed Central. This unique Open Access journal has become a very good source of information related to Brain Disorders & treatment with many subscribers all throughout the world. We also appreciate the Editor in chief and other Editorial Board members and Journal staffs have input hard works to establish its high professional standing.
