## **Letter of Consent**

National Library of Medicine  
Building 38A - Room 4N-419  
8600 Rockville Pike  
Bethesda, MD U.S.A. 20894

I hereby express my great interest in continued service in Journal of Stem Cell Research & Therapy as an Editor (or) Author (or) Reviewer. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Kyba". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Michael Kyba, Ph.D.  
Lillehei Endowed Scholar  
Associate Professor,
