Dear NLM officer,

As an Editor of the Journal of Nanomedicine & Biopharmaceutic Discovery, I wish to strongly recommend this journal for indexing in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing and continue to afford this the highest priority.

In sending this letter from the Journal offices, the Journal has my permission to disclose my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

Thanking you,

Sincerely,

Sunil Krishnan, MD, FACP
