Re: Indexing the Journal of Nanomedicine and Biotherapeutic Discovery in PubMed Central

Dear Sir/Madam,

I am serving the **Journal of Nanomedicine and Biotherapeutic Discovery** as an editor and truly interested in continued service to this journal. I give my consent to the journal to disclose my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

The journal has outstanding editorial board members and office staff. We have worked, and continue to work, very hard to establish this journal at high professional standing. Therefore, I strongly recommend that the **Journal of Nanomedicine and Biotherapeutic Discovery** be indexed in PubMed Central.

With warm regards,
Yours truly,

Dr. Yashveer Singh, PhD
