I hereby express my great interest in continued service in *Hereditary Genetics: Current Research* as Editor. I further give my consent to disclose by the Journal my affiliation and contact information.

I do not have any conflict of interest, which would interfere with this important service for science, medicine and technology communities.

I strongly recommend *Hereditary Genetics: Current Research* to be indexed in PubMed Central. This unique Open Access journal has become a very good source of information related to genetics with many subscribers all throughout the world. We also appreciate Editor-in-chief and other Editorial Board members and Journal staffs who have input hard works to establish its high professional standing.
