8600 Rockville Pike  
Bethesda, MD U.S.A. 20894

I strongly recommend Journal of Biomolecular Research & Therapeutics to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

I hereby express my great interest in continued service as an Editor in this journal. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.
