I hereby express my great interest in continued service in Otolaryngology- Open Access as an Editor, Author and Reviewer. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

A handwritten signature in dark ink, which appears to read "Charles E. Bishop Au.D.", followed by the date "8/20/13". The signature is written in a cursive style.
