Dream, direct, and drive: Connecting to your mind, body & soul

How connected do you feel to yourself? Do you take time to dream? Do you take action towards those dreams and explore the possibilities in front of you? If not, what is stopping you? Do you have the courage to do something different? Do you possess adequate skills or the proper tools to go after your dreams? In a world where there are high demands at home and in the workplace, how do you stay true to who you are as an individual, and as a professional without experiencing burnout or loss of identity? Jennifer Pressimone, a world-renowned public speaker and wellness practitioner, shares three key skills to help you find, manage and maintain mind-body balance. We will examine successful behaviors and healthy tools to conquer challenges, helping you create a path that aligns your head, heart, and gut. Learn how to run towards yourself, and not from yourself. Gain insight on how to bridge your passion with your purpose and talents to drive your dreams in the direction of your desire. Get inspired and motivated to ignite your mind, nourish your heart and fuel your gut.
