Women empowerment in health care sectors**Valeriana Mariani**

President *Donna Impresa, Italy

Mission of the "Donna Impresa" (Business Woman) Association is to bring together business women of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership. We strive to change the culture of business from the inside out - by investing in women. Our mission is to help women advance in the workplace, both for themselves and the greater good. The "Donna Impresa magazine" deals essentially with female leadership, promoting women in their path of social emancipation and focusing attention on the virtuous cases of women who have reached important positions in the professional field. I am fortunate to be a woman who was given the opportunity to achieve her dream. I want women everywhere to have that same opportunity and am pleased to work with the Association "Donna Impresa" development to increase opportunities for women entrepreneurs but also professionals and managers. As the President, for the past ten years, I have been challenging women to grow personally and professionally in achieving their goals as women in business. My vision is for women to find their voice, honor each other's dignity and support each other in becoming their best selves. Founded at 2008, the Associations of Women Business Owners is the only dues-based organization representing the interests of all women entrepreneurs across all industries. The Association propels women entrepreneurs into economic, social and political spheres of power worldwide by.
