# OMICS INTERNATIONAL

[www.omicsonline.org](http://www.omicsonline.org)

**OMICS International** (and its subsidiaries), is an **Open Access** publisher and international **conference** Organizer, which owns and operates peer-reviewed Clinical, Medical, Life Sciences, and Engineering & Technology journals and hosts scholarly conferences per year in the fields of clinical, medical, pharmaceutical, life sciences, business, engineering, and technology. Our journals have more than 3 million readers and our conferences bring together internationally renowned speakers and scientists to create exciting and memorable events, filled with lively interactive sessions and world-class exhibitions and poster presentations. Join us!

**OMICS International** is always open to constructive feedback. We pride ourselves on our commitment to serving the Open Access community and are always hard at work to become better at what we do. We invite your concerns, questions, even complaints. Contact us at **[contact.omics@omicsonline.org](mailto:contact.omics@omicsonline.org)**. We will get back to you in 24-48 hours. You may also call 1-800-216-6499 (USA Toll Free) or at +1-650-268-9744 and we will return your call in the same timeframe.

# OMICS Journals are welcoming Submissions

OMICS Group welcomes submissions that are original and technically so as to serve both the developing world and developed countries in the best possible way.

OMICS Journals are poised in excellence by publishing high quality research. OMICS Group follows an Editorial Manager® System peer review process and boasts of a strong and active editorial board.

Editors and reviewers are experts in their field and provide anonymous, unbiased and detailed reviews of all submissions. The journal gives the options of multiple language translations for all the articles and all archived articles are available in HTML, XML, PDF and audio formats. Also, all the published articles are archived in repositories and indexing services like DOAJ, CAS, Google Scholar, Scientific Commons, Index Copernicus, EBSCO, HINARI and GALE.
