Journal of Earth Science and Climatic Change

Editor-in-Chief
Hari K. Pant
Director of Interdisciplinary Environmental Science Program, Lehman College, the City University of New York, USA
Dr. Pant is the Director of Interdisciplinary Environmental Science Program, Lehman College, the City University of New York, USA.

He received Ph.D. in Environmental Biology from Dalhousie University, Halifax, Canada in 1998.
Research Interest

- Biogeochemical cycles of Carbon, Nitrogen, Phosphorus, etc.
- Soil/Sediment/water quality
- Ecological indicators
- Carbon sequestration
- Global change
