

OMICS INTERNATIONAL

OMICS International through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. OMICS International hosts over **700** leading-edge peer reviewed Open Access Journals and organizes over **1000** International Conferences annually all over the world. OMICS International journals have over **10 million** readers and the fame and success of the same can be attributed to the strong editorial board which contains over **50000** eminent personalities that ensure a rapid, quality and quick review process. OMICS International signed an agreement with more than **1000** International Societies to make healthcare information Open Access.

OMICS Journals are welcoming Submissions

OMICS International welcomes submissions that are original and technically so as to serve both the developing world and developed countries in the best possible way.

OMICS Journals are poised in excellence by publishing high quality research. OMICS International follows an Editorial Manager® System peer review process and boasts of a strong and active editorial board.

Editors and reviewers are experts in their field and provide anonymous, unbiased and detailed reviews of all submissions. The journal gives the options of multiple language translations for all the articles and all archived articles are available in HTML, XML, PDF and audio formats. Also, all the published articles are archived in repositories and indexing services like DOAJ, CAS, Google Scholar, Scientific Commons, Index Copernicus, EBSCO, HINARI and GALE.

Norhayati Luddin

Associate Professor

Department of Dentistry

Universiti Sains Malaysia

Malaysia

Biography:

Dr. Norhayati is currently an Associate Professor and Consultant Prosthodontist at Restorative Dentistry Unit, School of Dental Sciences, Universiti Sains Malaysia (USM). In 1993, she received the Malaysian Government's scholarship to study dentistry at The University of Adelaide, Australia and graduated in 1998. After working as a general dentist in Malaysia for 2 years, she then pursues her postgraduate studies and obtained her Graduate Diploma in Clinical Dentistry and Doctorate of Clinical Dentistry (Prosthodontics) from The University of Adelaide, in 2001 and 2004 respectively.

She also passed her Fellowship of The Royal Australasian College of Dental Surgeons (FRACDS) examination in 2004 and become a fellow to the RACDS since then. Dr. Norhayati is actively involved in teaching restorative dentistry to the undergraduate and postgraduate students at USM, and is appointed as a Visiting Lecturer at two other dental faculties in Malaysia. Apart from teaching, she has great interest in research and has been presenting her research works at numerous local and international dental meetings and scientific conferences. She has special interest in dental materials, prosthodontics and endodontic research and has published in peer-reviewed local and international journals, apart from being a reviewer for the local and international dental journals. She has also been appointed as editorial board members for two international dental (and medical) journals.
