

OMICS INTERNATIONAL

OMICS Group International through its Open Access Initiative is committed to make genuine and reliable contributions to the scientific community. OMICS Group signed an agreement with more than 1000 International Societies to make healthcare information Open Access.

OMICS Journals are welcoming Submissions

OMICS International welcomes submissions that are original and technically so as to serve both the developing world and developed countries in the best possible way.

OMICS International Journals are poised in excellence by publishing high quality research. OMICS Group follows an Editorial Manager® System peer review process and boasts of a strong and active editorial board.

Editors and reviewers are experts in their field and provide anonymous, unbiased and detailed reviews of all submissions. The journal gives the options of multiple language translations for all the articles and all archived articles are available in HTML, XML, PDF and audio formats. Also, all the published articles are archived in repositories and indexing services like DOAJ, CAS, Google Scholar, Scientific Commons, Index Copernicus, EBSCO, HINARI and GALE.

Publications

The author with the most number of international publications as the first author or corresponding author in global international journals including Nature, Nature Chemistry, Nature Nanotechnology, Journal of the American Chemistry Society, etc.

Research Interest

- **Chemical Biology**
- **DNA Chemistry**
- **Synthetic Chemistry**
- **Biomimetics**
- **Biomolecular Sensing and Analysis**
- **Bioimaging**

Journal of Environmental Analytical Chemistry Related Journals

- Natural Products Chemistry & Research
- Organic Chemistry
- Environmental & Analytical Toxicology

Journal of Environmental Analytical Chemistry Related Conferences

- International Summit on Past and Present Research Systems of Green Chemistry

Ongoing Research

In Nano Chemistry area,

- **Design of nanomaterials**
- **Modification of molecules**
- **Gene knockdown**
- **Nanomedicine**
- **Bio-analysis**

Ongoing Research

In Chemical Analysis area,

- **Gene knockdown**
- **Nano medicine**
- **Bio-analysis**

OMICS International Open Access Membership

OMICS International offers Open Access Membership for academic and research institutions, funders and corporations to actively encourage open access in scholarly communication and the dissemination of research published by their authors. For more details and benefits, click on the link below:
