The Organizing committee members of "International Conference on Novel Physiotherapy, Physical Rehabilitation & Sports Medicine have finally revealed the theme for this year's NPT 2020" conference and it is going to be, "Innovative Physical Therapy Practice: Effective Impact in Health & Life Style". Conference Series and the Organizing committee of NPT 2020 acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Physical therapy and Occupational therapy, and has decided to introduce various achievement awards for all the participants.

[NPT 2020](#) conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at **NPT 2020**

Expert Level (Scientific Service Achievement Award)

Expert Level: The award to the experts who have made outstanding contributions to advancing in [Physical Therapy Rehabilitation & Sports Medicine 2020](#). It is the most prestigious award of the whole conference and is tagged as a scientific service Achievement award. The eligibility criteria for achieving this award is that one should have a minimum of 20+ years of experience in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take the initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award online.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in the [Physical Therapy Rehabilitation & Sports Medicine](#) research field in the public or private sector for experts having research knowledge at 10+ years in the field of Physical Therapy Rehabilitation with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers, and experts having 10+ years of research experience in the field of [Physical Therapy Rehabilitation & Sports Medicine](#). Our conference would like to provide the best platform to expand your network by sharing your research knowledge at the stage. The presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes of panel discussions. You can nominate deserving of the award online.

Women Scientist (The Women of Science Award)

Physiotherapy Conference provides a unique platform for women scientists for presenting the latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to have 10+ years of research experience in [Physical Rehabilitation & Sports Medicine](#) to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and

research guidance through our collaborations. Women scientists can nominate deserving of the award online.

Outstanding speaker and Best Keynote Speaker in NPT-2020

This award is recognizing individuals who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Physical Therapy Rehabilitation.
