

2020 Conference Announcement on International Conference on ENT Surgery

Hadi Nural

Mediface Medical Center, Turkey, E-mail: hadinural@hotmail.com

With the prosperous completion of our “4th European Otolaryngology-ENT Surgery Conference” which was held in Rome, Italy. We are glad to bring it back with a much refreshed and newer version of the “International Conference on ENT Surgery” scheduled for August 17-18, 2020 in London, UK.

Organizing Committee members (OCM) for ENT Surgery 2019 are Dr. Pedro Nery Bersan, Mother Teresa Hospital, Brazil and Dr. Sinolichka Djambazova, Ortopedska Klinika, Macedonia.

We are contended to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. As per the requests from our previous participants we are glad to introduce the **International Conference on ENT Surgery**. Bringing the series back with, **ENT Surgery 2020**. The theme for [ENT Surgery 2020](#) is: *Reviving new aspects in ENT Surgery*. We hereby put forth [ENT Surgery 2020](#) as an interdisciplinary program that meets the demand for education and development in

the fields of Plastic Surgery/Surgery. The [ENT Surgery 2020](#) deliberations focus on plastic surgery and its sub-specialties and is designed to provide a platform for discussion and networking as well as to share new ideas, advancements and research related to the field. This Academic event includes imperative Keynote forums, plenary presentations, poster presentations, workshops, exhibitions and more. By participating in forums, sharing research and collaborating, the research community will be much benefited.

We welcome you all to connect, contribute and collaborate with plastic surgeons and researchers/surgeons from around the globe.
