

2020 Young Research Forum on 9th World Climate Change Congress, September 21-22, 2020 | Kyoto, Japan

Ajah Uzoigwe James

President of Earth Environment And Climate Care Ambassadors (EECCA), Nigeria, E-mail: citycleanersinternational@gmail.com

Conference Series LLC LTD is organizing “[9th World Climate Change Congress](#)” which is going to be held in the month of September 21-22, 2020 at [Kyoto, Japan](#). The Theme of the conference is “Building awareness of climate change to educate the future”. The conference offers Prestigious Award for Young Research’s at climate Congress 2020- Gathering the New-born Advances in climate.

Climate Congress 2020- invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: climate Congress 2020. This [climate Congress 2020](#) Young Scientist Awards will be announced at the upcoming “9th World Climate Change Congress” at [Kyoto, Japan](#) on September 21-22, 2020.

This Climate Congress 2020 is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Climate Congress 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

[Climate Congress 2020](#) Conference will be an investigation of new research Innovation in the field of climate and spread the most recent advancements in environmental and Pollution control. Discussion on new technology advancement in the field of Climate change and Climatology , Global Warming Effects and Causes, Ecosystems and Ecology, Climate and Energy Policy, Climate disasters or climate hazards, Climate Change Solutions, Climate Refugees, Climate and Energy Policy Renewable Energy to Mitigate Climate Change, involves a team of environmental professionals, of which the Environmentalist is a key player. The market is mainly driven by the increasing research funding for climate change from governments and private investors, growing demand for personalized environment in the U.S. and Europe, and the increasing need for toxicology testing. Encounter the target

market with members from across the globe, committed to learn about novel technologies and innovations in climate change. This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in different fields of climate by receiving name recognition at this 2-days event.

World-eminent speakers, most recent researches, latest treatment techniques and the advanced updates in climate are the principal features of this conference.

[Climate Congress 2020](#) will join world-class professors, scientists, researchers, students, environmentalist, to discuss methodology to reduce global warming, climatic change and its effect, pollution and recycling. Climate Congress Conference 2020, Climate Science Conference 2020, Environmental Meetings 2020 are planned to give various information that will keep helpful scientists next to each other of the issues impacting the expectations, finding and solution for climatic change and its effect. The assembling of this event will be dealt with around the subject “Building awareness of climate change to educate the future”.

Past Conference Report:

The “8th world Climate Change congress” (Climate Change 2019) hosted by Conference Series llc LTD during May 10-11, 2019, New Petchaburi Rd, Khwaeng Bang Kapi, Khet Huai Khwang, Krung Thep Maha Nakhon 10310, AVANI Atrium Bangkok, Thailand with a theme “Tackling Climate Change for a Sustainable Future”, was a great success where eminent Keynote Speakers from various reputed institutions with their resplendent presence addressed the gathering.
