Euro Nursing 2019

The “34th Euro Nursing and Medicare Summit” ([Euro Nursing 2019](#)) hosted by Conference Series Ltd during October 07-08, 2019 at Madrid, Spain with a theme “Trends of Nursing Profession: Discovery, Innovations, Issues and Approaches in Clinical Practice, Education and Research”, was a great success where eminent Keynote Speakers from various reputed institutions with their resplendent presence addressed the gathering.

It was organized by Conference Series Ltd and generous response was received from the Editorial Board Members as well as from eminent scientists, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2019 from Conference Series Ltd.

The three day program witnessed thought provoking keynote and plenary presentations from experts in the field of Nursing and Healthcare, highlighting the theme, “Trends of Nursing Profession: Discovery, Innovations, Issues and Approaches in Clinical Practice, Education and Research”.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Plenary Speakers:

Zenaida Carbon, John Muir Health, Concord Medical Center, USA

Masoud Ghaffari, Benedictine University, USA

All the sessions were followed with great interest by a large audience. Students from various parts of the world took active participation in poster presentations. Students who presented well were awarded with Best Poster Presentations for their outstanding contribution in the field of [Nursing](#) and [Healthcare](#).

Special thanks to our Honorable Moderators, Lois Kum Edgecombe, King Faisal Specialist Hospital & Research Centre, Saudi Arabia for her remarkable contribution towards smooth functioning at Euro Nursing-2019 Conference.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance towards the success of Euro Nursing-2019. With the unique feedback from the conference, Conference Series Ltd would like to announce the commencement of the “27th International Congress on Nursing and Primary Health Care” is going to be held during July 29-30, 2020 at Zurich, Switzerland.
