Health Care in one of the main and essential field for the welfare of human society and it is also one of the largest in the global economy. The total value of the Nursing sector is over \$5 trillion. It is one thousand-fold more when compared to what it was in the 1920s. Moreover, the Healthcare is likely to triple in size in by 2060 and the Nursing industry is around 30% larger than previously thought and is one of top five in the global economy. The total market value of Healthcare is estimated to reach USD 1,669.40 Billion by 2021 from USD 1,179.20 Billion in 2016, at a CAGR of 7.2% during the forecast period.

The Nursing Conference is a flagship event strengthening bonds and fostering collaboration within the global oral health community. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Nursing and HealthCare.

Nursing and HealthCare Meeting is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, pharmaceutical, Technology and Life Sciences across America, Europe, The Middle East, and Asia Pacific yearly.
