

2nd International Conference on Breast Pathology and Cancer Diagnosis

Justin Jacksmith E-mail: justinjack@gmail.com

Conference Series LLC presents awards to researchers and scientists throughout the world with outstanding achievements and making a noteworthy contribution to the advancement of their field. Conference Series strives in providing a strong professional development opportunity for early career academicians-meeting experts in the field, interacting with colleagues from other parts of the world and creating networks and long-term relations.

Professional Level (The Research Contribution Award)

This Award is for the professional or academic activity acquired in Breast Pathology research in the public or private sector for experts with research experience at 10+ years in the field of Breast Pathology and Oncology with most relevant accomplishments. Part-time research experience would be counted pro-rata. It is calculated starting from the date when you have obtained the (first) degree entitling you to embark on doctorate (either in the country in which the degree was obtained or the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate your candidature for this award online.

Scholar Level (The Upcoming Researcher Award)

This conference offers Scholar Level Award to the upcoming scientists, researchers, and experts who have 10+ years of research experience in the field of Breast Pathology and Oncology. Breast Pathology conference would like to provide a staged platform to expand your network by sharing your research knowledge at podium. The presentation should include 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel

discussion. You can nominate your candidature for this award online.

Women Scientist (The Women of Science Award)

Breast Pathology Conference provides a unique platform for women scientists for presenting their latest research achievements with an in-depth analysis. We welcome women scholars and scientists from Universities/ Industries who have 10+ years of research/industry experience to join the forum. We are delighted to encourage women participants through research awards and provide assistance to women scholars in career development and research guidance through our scientific collaborations. Women Scientists can nominate their candidature for this award online.

Outstanding speaker in Breast Pathology 2021

This award is recognized for individual who will present their research highlights, strategies, and schemes that have been implemented to improve long-term excellence in Breast Pathology and Oncology. You can nominate your candidature for this award online.

Best Keynote Speaker in Breast Pathology 2021

This award recognizes for the best Keynote speaker who will present their research highlights, strategies, and schemes that have been implemented to improve long-term excellence in Breast Pathology and Oncology. If you have received the acceptance of Keynote Presentation from the program manager, you can nominate your candidature for this award online.

Best Poster Presentation in Breast Pathology 2021

Poster Presentation is organized at Conference, to encourage students and recent graduates and scholars pursuing their research to present their original research. All accepted

abstracts received for poster presentation will be presented at the poster session during the Breast Pathology Conference. Conference Series aims at building a platform for all budding scientists and researchers to present their real-time work, views, and aspects related to the theme of the conference. If you have received the acceptance from the Program Manager for the Poster Presentation, you can nominate your candidature for the award online.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Breast Pathology 2021

This award is to acknowledge the Masters/Ph.D./Post Doctorate individuals for their thesis work Presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of Pathology. You can nominate your candidature for this award online. You can also nominate your colleagues who you think might deserve the award online.

professional research. Part-time research experience would be counted as a pro rata. Doctorate degree is not a must have for this award nominees. They should be hard working, diligent, focused and devoted to the specific field of interest. You can nominate anyone you feel deserving to the award.

Scholar Level

The award will be presented to upcoming researchers and scientists in the field of Vision 2021 with a minimum of 10 years of experience. The award is termed as The Upcoming Researcher Award. The award recognizes the researchers who incorporate research excellence through their talent, knowledge and expertise in their field. You can nominate anyone you feel deserving to the award.

Women Scientist

The award will be presented to Women Scientists and researchers in the field of Vision 2021 with a minimum of 10 years of experience in relevant field. The award is termed as The Women of Science Award. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. We are privileged to provide a platform where women can showcase their research work in their field of research. You can nominate any women you feel deserving to the award.

Outstanding Speaker

In this category of award, we wish to acknowledge the speakers with great presentation skills, influential research work and long term excellence in the field of Vision 2021. The award is termed as Outstanding Speaker. You can nominate deserving to the award.

Best Keynote Speaker

Keynote speaker delivers the speech to set up the underlying tone and to summarize the core message of the event. The right keynote speaker adds an extraordinary feel to the conference. The award will be presented to the best keynote speaker with a distinguished research work, projects and strategies that will give a new trend in the field of Vision 2021.

This award perceives advancement in instructing methodologies and strategies just as in conveying keynote presentation in conference and centers on the uniqueness and creativity that expands member's interests. You can nominate deserving to the award.

Best Poster Presentation

The poster presentation with a background provides appropriate perspective/context for the subject. The research design should be appropriate and transparent. Factual information should be kept separate from interpretations or implications. The researcher should make sure that the research design, methods, modeling is appropriate and transparent. The award recognizes the innovative thinking and talent of young researchers across the world. Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. You can nominate deserving to the award.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation

This award is recognition for Masters/PhD/Post Doctorate thesis presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of Vision 2021. You can nominate deserving to the award.
