About City:

Dubai is the most populous city in the United Arab Emirates (UAE). It is located on the southeast coast of the Persian Gulf and is one of the seven emirates that make up the country. The city of Dubai is located on the

emirate's northern coastline and heads up the Dubai-Sharjah-Ajman metropolitan area. Dubai is to host World Expo 2020.

Dubai is famous for tourism and it is an important part of the Dubai government's strategy to maintain the flow of foreign cash into the emirate. Dubai's lure for tourists is based mainly on shopping and it is called as "shopping capital of the Middle East". As of 2013, Dubai was the 7th most visited city of the world based on air traffic and the fastest growing

Dubai has a rich collection of buildings and structures of various architectural styles. Burj Khalifa and Burj Al Arab are the world famous architectural buildings.

Arabic Food is very popular and is available everywhere in the city. Shisha and qahwa boutiques are also popular along with the Dubai night life. Dubai also known for hosting annual festivals such as Dubai food festival, Dubai shopping festival etc.

Market Analysis:

The ophthalmology market is prospering globally due to an increasingly aging population and its subsequent impact on the eye care industry. Due to the increasing number of individuals suffering from eye disorders, there will be an escalation in demand for surgical, diagnostic, and vision care devices. This is the important factor that will propel the growth of the global ophthalmology devices market, which has expected to grow USD 17.6 billion between 2018-2022.

Revenue in the Eyewear market of Europe amounts to US\$40,197m in 2019. The market is expected to rise annually by 1.4% (CAGR 2019-2023).when globally compared, most revenue is generated in United States (US\$32,288m in 2019).according to total population figures, per person revenues of US\$47.39 are generated in 2019.Spectacle Lenses, Sunglasses, Eyewear Frames, Contact Lenses.
