### Expert Level (Scientific Service Achievement Award)

The award to the experts who have created outstanding contributions to advancing in [Analytical Chemistry](#). It is the foremost prestigious award of the entire conference and is labeled as scientific service achievement award. The eligibility criteria for achieving this award is that one should have minimum of **20+ years of expertise** within the relative field in public or non-public sector. We can nominate worth of the award through on-line.

### Professional Level (The Research Contribution Award)

The Award for skilled or educational analysis activity acquired in [Analytical Chemistry](#) research field within the public or non-public sector for chemists having research knowledge at **10+ years in the field of Analytical Chemistry** with most relevant accomplishments. Part-time analysis expertise would be counted as pro-rata. It is calculated ranging from the date once you obtained the (first) degree entitling you to commence a degree (either within the country during which the degree was obtained or in the country in which the researcher is recruited), even though a degree was never started or envisaged. We can nominate meriting of the award through on-line.

### Scholar Level (The Upcoming Researcher Award)

The conference offers [Scholar Level Award](#) for the upcoming scientists, researchers and Chemists having **10+ years research expertise within the field of Analytical Chemistry**. Our conference would really like to provide best platform to expand your network by sharing your research data at stage. Presentation includes 25-30 minutes of oral speak on the research topics supported the theme of the conference beside five minutes panel discussions. We can nominate worth of the award through on-line.

### Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for [women scientists](#) for presenting latest analysis projects with an in-depth analysis. We tend to warmly invite women scholars and scientists from Universities/ Industries to who have **10+ years of analysis expertise** to hitch the forum. Women scientist will get nominated with worthy of the award through on-line.

### Outstanding speaker in Analytical Chemistry 2020

This award is recognizing for individual who can present their

projects, strategies, and schemes that are enforced to boost long-run excellence in [Analytical Chemistry](#). We can nominate worthy of the award through on-line.

### Best Keynote Speaker in Analytical Chemistry 2020

This award is acknowledges for best [Keynote speaker](#) who can present their projects, strategies, and schemes that are enforced to boost long run excellence in [Analytical Chemistry](#). If you were confirmed as keynote presenter from the program manager, you'll be able to nominate somebody worth of the award through on-line

### Best Organizing Committee Member in Analytical Chemistry 2020

This award acknowledges best member for his or her excellence support and important contribution within the conference by promoting regarding the conference to their groups, Students and laboratories. In Committee their leadership and support are aiming to be appreciable. [Organizing Committee Member](#) will nominate if they suggest for the conference with more than 15 participants, 50 editorials and QC for abstracts. We can nominate somebody worth of the award through on-line.

### Best Poster Presentation in Analytical Chemistry 2020

[Student Poster Competition](#) is organized at Conference, in order to encourage students and recent graduates to present their research project. All accepted abstracts are going to be presented at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects associated with the theme of the conference. We can nominate somebody worth of the award through on-line.

### Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Analytical Chemistry 2020

This award is recognizing for [Masters/Ph.D./Post doctorate](#) thesis work Presentation who can present their projects and thesis that are enforced to enhance long-run excellence within the field of [Analytical Chemistry](#). You can nominate meriting of the award through on-line. We can nominate somebody meriting of the award through on-line.
