

Award content for World Neurology Congress 2020

Deanna Mastellone

Dementia Advocate, Neurology, Sydney University, Australia, **E-mail:** deannamm@bigpond.net.au

The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

World Neurology Congress will be organized on December 07-08, 2020 in Dubai, UAE. World Neuro Congress 2020 aims to gather eminent scientists, research scholars, notable neurologist, and educationists and professionals to express their views on the latest technologies, trends, and concerns in Neuro Congress.

World Neurology Congress focuses on addressing the constant effort being made by scientist and scholars to improve the existing and inventing novel technologies for future. The conference will also address the issues being faced by surgeons and patients and the impact of Neurology in the world. It provides a platform for organizations, companies, associations, societies, institutions, statutory bodies and other authorities and individuals interested in presenting their thoughts on Neurology procedures and services. Neurology Congress 2020 will influence an appealing moment to meet people in the experimentation field and therefore it takes a pleasure in opening a doorway to encounter the ability in the field, young researchers and potential World-renowned speakers, the most recent approaches, tactics, and the current upgrade in the field of Neurology Congress

Call for Nominations:

[Expert Level \(Scientific Service Achievement Award\)](#)

The award to the experts who have made outstanding contributions to advancing in Neurology 2020 .
