### **World Biosimilars and Biologics Summit & 8<sup>th</sup> International Conference on Clinical Trials**

## Past Conference Report

### **Biosimilars Summit 2020 and Clinical Trails 2020**

- LexisConferences hosted the **World Biosimilars and Biologics Summit & (Biosimilars Summit 2020) & 8th International Conference on Clinical Trials (Clinical Trails 2020)** during September 18-19, 2020

**Biosimilars Summit 2020 and Clinical Trails 2020** is specifically premeditated with a unifying axiom providing platform to widen the imminent scientific discoveries in the field of Biosimilars and Clinical Trails and to deliver novel ideas besides incorporating better understanding of their role in Pharma, Drug Manufacturers, Business Management and Marketing. The scientific meeting has laid the path for the development and the validation of Pharmaceutical Research and Development under the theme of “*Deciphering Full Potential of Biosimilars for a Sustainable Future*”

LexisConferences is prerogative to thank the Organizing Committee, Editorial Board Members and Life Sciences, Austria, speaker participants, poster presenters and attendees for enormous support and participation in this grand venture.

LexisConferences offers Special thanks to the organisations like **Chemical Executive Club, Chemical Search. Kind Congress, Conference Locate, Crowd Review’s Venue Dri and Manuscript Edit** personalities who supported the conferences by promoting in various modes online and offline which helped the conferences reach every nook and corner of the globe.

\*\*\* **Bookmark Your Dates for the forthcoming Conference; we are hoping to see you soon!** \*\*\*
