

Editorial Note for Journal of Addiction Research and Therapy

Meire Luci da Silva*

Assistant Professor, Department of Physiotherapy and Occupational Therapy, Universidade Estadual Paulista, Brazil

I am pleased to introduce the Journal of Addiction Research and Therapy is keen in publishing the latest advancements and innovations in a peer reviewed scientific journal known for rapid dissemination of high-quality research. This Addiction research Journal with high impact factor offers an open access platform to the authors in academia and industry to publish their novel research. It serves the International Scientific Community with its standard on going addiction research publications. The journal focuses on providing most comprehensive and reliable information in advanced areas of psychology and neurology.

Journal publishes all types of Research like, original articles, review articles, short review, case reports, case studies, case series, short communications, etc. in all areas of related to Addiction Recovery, Drug Rehabilitation, Substance-Related Disorders, Facts About Alcoholism, Drug Addiction Treatment, Psychiatric problems behind addiction, etc and provides free online access to the researchers worldwide. All published articles are assigned to Digital Object Identifier (DOI) - CrossRef. All published articles of this journal are included in the indexing and abstracting coverage of: CAS Source Index (CASSI), Index Copernicus, Google Scholar, Sherpa Romeo, Open J Gate, Genamics JournalSeek, Academic Keys, JournalTOCs, SafetyLit, China National Knowledge Infrastructure (CNKI), Electronic Journals Library, RefSeek, Hamdard University, EBSCO A-Z, OCLC- WorldCat, SWB online catalog, Virtual Library of Biology (vifabio), Publons, Geneva Foundation for Medical Education and Research.

The impact factor for the journal is Journal Impact Factor 0.53*. Impact factor measures the quality of the Journal. Our Journal has been included in the NLM Catalog. All accepted articles will be published under CC BY 4.0 license, and meets the open access requirements of funding agencies such as NIH, HHMI, and Wellcome Trust. The funded articles are directly submitted to PUBMED.

NLM ID: 101550185

Research Gate Impact Factor: 0.64

Index Copernicus Value 2016: 82.25

As such, the journal aspires to be vibrant, engaging and accessible, and at the same time integrative and challenging. Average publication lag time of an article was further reduced to 2-3 weeks. Average download per article is increasing and on an average there are 50 downloads per paper. All these are promising signs. We could reach this stage through the constant support of Board Members and intellectual generosity of the readers and contributors (authors and reviewers).

Association with Omics publishing group has increased Readership Metrics (By Google Analytics) of the Journal which can be accessed at Google Analytics Metrics.

Readers from the major countries including United States, Japan, United Kingdom, India, Egypt and Nigeria visit our journal domain to learn about the on-going research activities in this field.

Manuscripts can be submitted online via Editorial Tracking System or as an E-mail attachment to the Editorial at addiction@clinicalres.org is using Online Review and Editorial Tracking Systems for quality review process and the authors can submit manuscripts and track their progress.

Best articles published so far in this year are:

- Peer Support for Opioid Use Disorders: Feasibility and Acceptability of a Moderated Text-Based Group Chat Application.
- Destigmatizing Opiate Addiction: Why the PA State Supreme Court Rulings Establishing Legality of Overdose Prevention Sites Should Be a Model for a Federal Amendment to the Anti-Drug Abuse Act of 1986.

I take this opportunity to acknowledge the contribution of Editorial board members, during the final editing of articles published and the support rendered by the editorial assistants. Lastly I would like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of the Journal, the office bearers for their support in bringing out yet another volume and look forward to their unrelenting support for the successful release of upcoming editions. Needless to say, any papers that you wish to submit, either individually or collaboratively, are much appreciated and will make a substantial contribution to the early development and success of the journal. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of Journal of Addiction Research & Therapy, the office bearers for their support in bringing out yet another volume of JART and look forward to their unrelenting support to bring out the Volume 12 of JART in scheduled time. Best wishes and thank you in advance for your contribution to Journal of Addiction Research & Therapy, Lyn Stein, Editor-in-Chief, Professor, Department of Psychology, University of Rhode Island, USA.
