

Joint Meet on 3rd International Conference on Clinical Microbiology, Virology and Infectious Diseases & 3rd International Conference on Antimicrobial and Antibacterial Agents June 12-13, 2020 Webinar

Editorial Note

We had a huge success with the merge of 3rd International Conference on Clinical Microbiology, Virology and Infectious Diseases Webinar and 3rd International Conference on Antimicrobial and Antibacterial Agents Webinar scheduled on June 12-13, 2020.

The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their knowledge, research work, technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world.

This has been organized with the aim to the corporate community and to create a platform for the exchange of information on technological developments, new scientific modernization and the effectiveness of various regulatory programs towards Microbiology Meet 2020 and Antimicrobial Congress 2020. The conference was organized around the theme "Fostering Advances, Applications and New Techniques in Clinical Microbiology and Antimicrobial field". The congress entrenched a firm relation of future strategies in the field of Microbiology.

We would like to thank

- Huang Wei Ling, Medical Acupuncture and Pain Management Clinic, Franca, Sao Paulo, Brazil
- Ashok Rattan, MD, MAMS, Advisor, Quality, R & D, Knowledge Forum PathKind Labs, India
- Dr.Soumia Sebaa, Laboratory of exploration and Valorization of steppic ecosystems Faculty, SNV University of Zaine achour Djelfa Algeria
- Mary Kulandaisamy, Senior Technical Officer Division of Microbiology and Molecular Biology ICMR - Vector Control Research Centre, India

We would like to thank each and every participant of Microbiology Meet 2020 and Antimicrobial Congress 2020 Webinar to make this a huge success. And special thanks to media partners for the promotion of our event.

We are happy to announce the 4th International Conference on Clinical Microbiology, Virology and Infectious Diseases and 4th International Conference on Antimicrobial and Antibacterial Agents scheduled during May 20-21, 2021 which aim to bring together the prominent researchers academic scientists, and research scholars to exchange and share their experiences on all aspects of Microbiology and Antimicrobials.

Major topics discussed to be covered in the webinar are Clinical Microbiology, Microbes and Infectious Diseases, Airborne and Direct Contact Diseases, Bacterial and Viral Vaccines, Antimicrobial Agents and Novel Vaccines, Antimicrobial Chemotherapy, Antibiotic interactions, Food Microbiology and many more.
