The 15th World Congress on Endocrinology & Diabetes (World Endocrinology 2019) convoked by Conference Series during September 20-21, 2019 was successfully held at Panorama Hotel Prague with a theme "To Transform and connect innovative therapies in Diabetes and Endocrinology" was a great success where eminent keynote speakers from various reputed institutions with their resplendent presence addressed the gathering.

Thanks to all our momentous speakers, conference attendees who contributed towards the successful run of the conference.

World Endocrinology 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the fields of Healthcare.

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

- Endocrinology and Diabetes
- Endocrinology Glands and Hormones
- Diabetes: Types and its Complications
- Pathophysiology: Endocrinology and Diabetes
- EDCs (Endocrine Disrupting Chemicals)
- Endocrine and Diabetes Disorders
- Endocrine and Diabetes Biomarkers
- Diabetic Nephropathy
- Diabetic Retinopathy
- Paediatric endocrinology
- Clinical Gynaecologic Endocrinology and Infertility
- Thyroid glands Disorders

- Diabetic & Endocrine Diagnostic Tools and Tests
- Endocrinology: Male & Female Reproductive Health
- Transgender: Medicine and Research
- Obesity and Metabolic Disorders
- Advance Treatment and Prevention

World Endocrinology 2019 Organizing Committee would like to thank the Moderator of the conference Dr. Ravi Kumar who has contributed a lot for the smooth functioning of this event.

World Endocrinology 2019 extends its warm gratitude to all the Keynote Speakers of the event:

Vladimír Štrbák , Slovak Academy of Sciences, Slovak Republic

Francesco Lippi , University of Pisa, Italy

Eduardo J Simoes, University of Missouri, USA

Conference Series is privileged to felicitate World Endocrinology 2019 Organizing Committee and Chairs who supported for the success of this event. Conference Series would like to thank every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Healthcare.

With the valuable feedback received from the participants of World Endocrinology 2019, Conference Series will be glad to announce its next event i.e. 16th World Congress on Endocrinology & Diabetes scheduled for August 17-18, 2020 at Copenhagen, Denmark
