## Human adaptive strategies on Earth Science- 2nd Global Summit on Earth Science and Climate Change.

**Jayawardena AW***Honorary Professor, University of Hong Kong, Hong Kong, E-mail: hrecjaw@hku.hk*

Geology & Earth science Conference Committee is glad to announce "2nd Global Summit on Earth Science and Climate Change" September 10 -11, 2020 in Prague, Czech Republic by focus on the theme: " Geology & Earth science" Earth Science 2020 developments are maintaining their momentum. Geology & Earth science Conference program delves into strategic discussions.

### Earth Science 2020 Young Scientist Awards:

The YRF event is for postgraduate students (MPH, MSc, MRes, PhD, etc.) and early career researchers from any field related to digital public health and broadened public health that incorporates digital technologies and innovations, as well as their supervisors .it has been specifically designed to provide you with the opportunity to present your work in a friendly supportive forum and to receive feedback from mentors and peers.

Geology & Earth science Conference Committee is intended to honor prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Geology & Earth science.

Young Research's Awards at Earth Science 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Earth Science 2020 young research forum.

### Guidelines for Young Researchers Forum:

#### Benefits

- Young Scientist Award recognition certificate and memento to the winners.

- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

#### Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Sincerely,

# Journal of Earth Science & Climatic Change
