

Joint Meet on 3rd International Conference on Obesity and Chronic Diseases & 28th International Diabetes and Healthcare Conference June 15-16, 2020 Webinar

Editorial Note

We had a huge success with the merge of 3rd International Conference on Obesity and Chronic Diseases Webinar and 28th International Diabetes and Healthcare Conference Webinar scheduled on June 15-16, 2020.

The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their knowledge, research work, technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world.

This has been organized with the aim to the corporate community and to create a platform for the exchange of information on technological developments, new scientific modernization and the effectiveness of various regulatory programs towards Chronic Obesity 2020 and Diabetic 2020. The conference was organized around the theme “Acquainting New Insights of Diabetes & Healthcare”. The congress entrenched a firm relation of future strategies in the field of Obesity and Diabetes.
