Conference series llc ltd. is organizing "33rd International Conference on Brain Science and Cognitive Research" which is going to be held in the month of June 01-02, 2020 at Sydney, Australia. The Theme of the conference is "Current trends in Brain Science Research". The conference offers emerging scholar awards to outstanding researchers, scientists, exceptional graduates or early academicians who have distinctive enthrallment towards the conference theme. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

Expert Level (Scientific Service Achievement Award)

The award is for experts who have made remarkable contributions in the advancements of Cognitive Research. It is the most prestigious award of the whole conference and is tagged as Scientific Service Achievement award. The eligibility criteria for achieving this award are, one should have minimum of 20+ years of experience in the relative field in public or private sector. The recipient of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Brain Science research field in the public or private sector for experts having research knowledge at 10+ years in the field of Neuroscience with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Alzheimers. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

Best Keynote Speaker and Outstanding Speaker in BRAIN SCIENCE 2020

This award is recognizes for best Keynote speaker and Outstanding speaker award who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Neurology.

Best Poster Presentation and Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in BRAIN SCIENCE 2020

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. Outstanding Masters & post doctor award is for recognizing the Masters/Ph.D./Post Doctorate thesis work presentation,

which will showcase their projects and thesis that have been implemented to improve long-term excellence in the field of Neurology. The deserving candidates will be nominated for the award through online portal. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference
