

Past Conference Report for Physical Chemistry 2019

Tadashi Ogitsu

Group leader, Lawrence Livermore National Laboratory USA, E-mail: ogitsu@llnl.gov

[Conference Series LLC Ltd](#) sincerely thanks all of our wonderful Speakers, Conference Attendees and Collaborators; Physical Chemistry 2019 Conference was our best ever!

6th International Conference on Physical and Theoretical Chemistry hosted by Conference Series LLC Ltd was held during September 02-03, 2019 Zurich, Switzerland at Holiday Inn Express Zurich Airport with the theme "Unique Pioneering Research Strategies and Approaches in Physical and Theoretical Chemistry" which got splendid response. With the support and guidance of Organizing Committee Members and Editorial Board Members in the fields of [Physical chemistry](#) and [Theoretical Chemistry](#) and astonishing presentations of all participants this prominent event became more impressive.

Conference Series LLC Ltd would like to convey a great appreciation to following eminent people, honourable guests and Keynote speakers.

Jean-Christophe Pouilly, CIMAP Laboratory, France

Tadashi Ogitsu, Lawrence Livermore National Laboratory, USA

Cesare Oliviero Rossi, University of Calabria, Italy

Jiri Kozelka, Université Paris Diderot, France

Eugene A Ustinov, LoffeInstitute, Russian Federation

Conference Series LLC Ltd extends its gratitude towards to all the participants from all over the world. Physical Chemistry 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various topics related to the field of Physics and Chemistry.

Organizer : **Cesare Oliviero Rossi, University of Calabria, Italy**

Conference Series LLC Ltd takes the privilege to felicitate the Keynote Speakers, Organizing Committee Members and Chairs who supported this event by facilitating the discussion forums.

With sustainable excitement for success of Physical Chemistry 2019, Conference Series LLC Ltd is glad to announce next annual meeting 7th International Conference

on Physical and Theoretical Chemistry to be held during October 07-08, 2020 in Vienna, Austria with the theme "Contemporary Advances and Innovations in Physical Chemistry".

We hope your favourable support will make next annual also one more grand success event.
