The "4th World Gynecology | Obstetrics | Reproductive Health & Medicine | PCOS Conference" (Reproductive Medicine 2019) hosted by Conference Series llc LTD during July 11-12, 2019 at Vienna, Austria with a theme "Current Challenges and Innovations in Nursing and Healthcare", was a great success where eminent Keynote Speakers from various reputed institutions with their resplendent presence addressed the gathering.

It was organized by Conference Series llc LTD and generous response was received from the Editorial Board Members of OMICS Group Journals as well as from eminent scientists, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2019 from Conference Series llc LTD.

The three day program witnessed thought provoking keynote and plenary presentations from experts in the field of Nursing and Healthcare, highlighting the theme, "Advanced Concepts and Frameworks for Nursing and Healthcare".

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as **Keynote Speakers:**

- Ayman M Hamdan-Mansour, Central South University, China
- Eman Dawood, King Saud bin Abdulaziz University for Health Sciences, KSA

All the sessions were followed with great interest by a large audience. Students from various parts of the world took active participation in poster presentations. Students who presented well were awarded with Best Poster Presentations for their outstanding contribution in the field of Nursing and Healthcare.

Special thanks to our Honourable Moderator, Eman Dawood, King Saud bin Abdulaziz University for Health Sciences, KSA, for their remarkable contribution towards smooth functioning at Reproductive Medicine 2019.

Best Keynote Speaker - Ayman M Hamdan-Mansour:

This Award recognizes excellence in research as displayed in different ways that may impact Human wellbeing. The award will be presented to the best keynote speaker with a distinguished research work, projects and strategies that will give a new trend in the field of Gynecology. The right keynote speaker adds an extraordinary feel to the conference. This award perceives advancement in instructing methodologies and strategies just as in conveying keynote presentation in conference and centers on the uniqueness and creativity that expands member's interests. You can nominate deserving to the award.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance towards the success of World Nursing 2019. With the unique feedback from the conference, we would like to announce the commencement of the "5th Gynecology | Obstetrics | [Reproductive Health & Medicine](#) | PCOS" is going to be held during June 22-23, 2020, Zurich, Switzerland.
