

Past Conference Report on Industrial Biotechnology 2020

Michael C Flickinger

North Carolina State University, USA

We would like to extend our heart warming thanks to all the wonderful keynotes, speakers, conference attendees, media partners, and guests for joining Industrial Biotechnology 2020.

AAC hosted the 3rd International Conference on Industrial Biotechnology and Bioprocessing during February 17-18, 2020 at Hotel Holiday Inn Paris - Porte de Clichy, Paris, France with the theme "Reconnoitring newest Novelties and expertise in Industrial Biotechnology". Gracious response and active contribution were received from the Editorial Board Members of supporting International Journals as well as the Organizing Committee Members and keynote speakers along with the academic scientists, researchers, students who made this event happen.

The conference was commenced with an opening ceremony followed by a series of Keynote Speeches delivered by both honorable guests and members of the Keynote forum. The experts who astonished us with their wonderful presentations were:

Michael C Flickinger | North Carolina State University | USA

Daniel Mink | InnoSyn B V | The Netherlands

Maximilian Krippel | Novasign GmbH | Austria

Ashok Kumar Srivastava | Indian Institute of Technology Delhi | India

Ina Siller | Leibniz University Hannover | Germany

Esra Kutlu Sezer | Ankara University | Turkey

Sujan Khanal | Center for Applied and Allied Science Pvt. Ltd | Nepal

Hafiz Hafeez Ullah | The Indus Hospital Kahna Nau | Pakistan

Francis J Mulaa | University of Nairobi | Kenya

Ernesto González | Pontifical Catholic University of Valparaiso | Chile

With the completion of Industrial Biotechnology 2020, AAC is excited to announce the **4th International Conference on Industrial Biotechnology and Bioprocessing** at **Paris, France** in **October 2020**.
