

Postponement Announcement for Global Summit on Cosmetic and Reconstructive Surgery has been postponed on Nov 19-20, 2020

Ms Suchi

Asia Global Goodwill Ambassadors, Singapore, E-mail: suchil1sg@gmail.com

[Cosmetic surgery](#) is a unique discipline of medicine focused on enhancing appearance through surgical and medical techniques. Cosmetic surgery can be performed on all areas of the head, neck and body. Because treated areas function properly but lack aesthetic appeal, cosmetic surgery is elective.

Conference Series is organizing “**Global Summit on Cosmetic and Reconstructive Surgery**” which is scheduled on **May 20-21, 2020**. The theme of the webinar is “**The New Challenges in Cosmetic Surgery**”. The conference has been postponed due to COVID-19 webinars are conducting. The webinar will cover the fields related to Surgery Education and Cosmetology, its complication and the management. Our Webinar can review the major event in expanding, rehabilitating and enlightening [Cosmetology](#), Risk factors and Symptoms of [Cosmetic surgery](#) and many more. Our Discipline strongly bracing by the possibilities offered by Cosmetic Surgery and Dermatology by the progress in plastic surgery, liposuction, lip augmentation, hair transplantation, facial cosmetic surgery for Cosmetic surgery needs. This important moment can be reviewed by our World Congress Event. On the other hand, the achievements of randomized surveys and large meta-analysis will allow us to better understand the possibilities and advantages of our therapies and diagnostic approaches. The peerless speaker **Suchi Deshpande, Asia Global Goodwill Ambassadors, Singapore** will be sharing their knowledge on various new-fangled topics related to the field of Cosmetology and Reconstructive Surgery.

Our World Congress glimpses an opportunity to meet world’s best [Cosmetic surgery](#) experts focusing their views on the following highlights which include Cosmetology and Reconstructive surgery, Facial cosmetic surgery, Dermatology, Hair transplantation, liposuction, etc. Cosmetic Surgery 2020 sustains a rapid process for submissions resulting in high quality publications.
